MORDEN WELCOMES BONITA HAIR

Bonita Hair, which means beautiful hair, opened up February 26, 2010 at 315 North Railway. Kim Heide and Angie Wall are excited about this venture and are especially proud to celebrate the Onesta product line. The Onesta product line is a natural plant based product developed by a father whose battle with cancer lead him to produce a product that is chemical FREE. For more information about the product line:
