**Hillside Greenhouses
and
Maple Leaf Elementary
School Home and School Association
have teamed up for a flower pot fundraiser for Maple Leaf
Elementary School playground equipment!**

Think Spring! Our thanks to Hillside Greenhouses for generously
planting and growing 1000 beautiful flower pots for the Maple Leaf
Home and School Association to sell.

These lovely flower pots are selling for \$20 each. For each flower pot
purchase, you will receive a special coupon which you take to Hillside
Greenhouses to pick out the flower pot of your choice from the 1000
pots Hillside Greenhouses has grown specifically for this fundraiser (first
come, first choice basis).

The flower pots will be ready for pick up at Hillside Greenhouses
between May 7th and May 30th - in time for Mother's Day!

The gift coupons would also make wonderful gifts for Administrative
Assistants Week
(April 23- 27th)

The funds that are raised will be used for the purchase of new
playground equipment and an outdoor classroom at Maple Leaf School
in Morden.

If you are interested in purchasing flower pots, please contact Angella at
822-3787 or email us through the Maple Leaf Home and School
Association email address:
mapleleaf.hspac@gmail.com.

Thank you for your support!
